What Reserve Component Members Need to Know About: TRICARE Prime Remote

CDR Bob Clipper, Force Medical Department

Commander Navy Reserve Forces Command

New Orleans, Louisiana

August 29, 2006

What is TRICARE Prime Remote (TPR)?

- TPR is basically TRICARE when members live (and work) more than 50 miles (or one hours drive) from the nearest military treatment facility (MTF)
- The key is the members residence address in DEERS

What about TPR eligibility for my family?

- *RC family members'* eligibility in TPRADFM requires that they and the Service member "reside with" one another in a TPR ZIP code.
  - "Reside with" means that eligible family members resided with the Service member on the effective date of the Reservist's orders
  - and remain living at the residence.
  - The RC member is not required to be enrolled in TPR for his or her family to enroll in TPRADFM.

How can we find out if were eligible?

- The family member enters the sponsor's home ZIP code in BOTH fields in the ZIP Code Search for Eligibility tool below to determine eligibility for TPR/TPRADFM.
  - TRICARE Prime Remote for Members and Family Members

What else do we need to know?

- Also, remember if family members choose not to enroll in TPR/TPRADFM they are always covered by TRICARE Standard and TRICARE Extra (neither require enrollment)
